March Tip For Success 3/1/2017

Jeopardy is a favorite game show for all ages. Why not bring it to the classroom? Stephanie Mayfield, the MTFC Director for George, Greene, and Stone Counties uses tri-fold boards to create a Jeopardy display. She makes four to five tobacco-related categories with specific questions under each. Stephanie plays the game with groups as well as individual students and has created Jeopardy formats designed for both elementary and high school students. Students compete for prizes, and as Stephanie says, "this way they are winning and they are learning." For more information, contact Stephanie at 601-723-0424.

We are in the process of writing our six month report and want to hear from you. Please write a sentence or two describing why your work is meaningful to you and how you feel it positively impacts the citizens of Mississippi. Please send to Anne Buffington at anne.buffington@mississippi.edu. Thank!

Holiday Schedule 12/20/2016

We will be closing the window for data entry on Friday January 6th. At that time, all reporting and uploading for the first six months of the fiscal year should be reflected in the TRAPS system. Our university will be closed beginning December 21st and will reopen on Tuesday January 3rd. We will have limited availability during that time, so please let us know if you have any questions prior to tomorrow. Have a wonderful holiday season! Anne and Colleen

TRAPS ISSUE - RESOLVED 12/13/2016

Thanks to our wonderful IT/Developers, TRAPS is fully functional once again. - Anne & Colleen

ALERT - TRAPS ISSUE 12/13/2016

ALERT - TRAPS is having some technical issues. Please do not upload or download any documents until it has been resolved. It appears to be a disk space issue and our IT/Developer team is working on the solution.

VII. A 2 Ordinance Work (also upload any documentation)	Coalition member, Mrs. Vance, met with the mayor of West Point. She started by discussing what the coalition was doing in the community. She asked where they were as municipality as far as looking into a smoke free ordinance to protect non-smokers from secondhand smoke and he stated that they are pretty much the same with it being such a small town they feel that they would lose too much revenue by having smoke free policies. Also that the alderman own a lot of the family owned businesses in the community and they are not willing to make people quit smoking. She also asked what can we do to help get a smoke free ordinance in West Point and he stated that we can keep educating the communities on the hazards and asked for some signs because they were working on getting some establishments smoke free. We also discussed the RFP and that you don't have to have a smoke free ordinance to apply.
